COMMUNICATION

Co-funded by
the European Union

8 free live webinars
on urban ecology and change making.

2 in situ evaluation tests

1 beta version
of an online sensitive mapping tool

1 glossary
on the meaning of some concepts and
words in our contexts

TOOLS

PARTICIPATION

- ~ 6000 attendees to events
- > 400 participants to meetings
- > 300 participants to workshops
- > 40 artists and collectives involved
- > 150 attendees for the webinars

In Florence

> 5 cans of paint

Many trips up and down the hill to get one of the artist to its spot

> 6 days spent walking mapping and scouting for the perfect rocks

> 3 pizzas per person to test the community oven

30 songs rehearsed for Banti's sound installation

> 50 blackberries picked up and eaten

too many mosquito bites to count

In Marseille

> 50 drawings made by children imagining the regeneration spaces in their neighborhood

In Liepaja

2 bags of trash collected to clean the area

1 cargo with gravel to fix the road to reach the area
